## On Arrival

Arrive at your pre-booked time and make your way to reception where we will check your details. Let us know if there was something specific you wanted to see or ask and we can ensure that we plan this during your viewing / tour.

## Guided Tours

A member of the team will show you the numerous rooms and spaces available for wedding receptions and ceremonies as well as Valley restaurant, Peterwells lounge and Harford suite set-up for a wedding to give you ideas of what is possible.

## Bedrooms

We will show you around our 17 en-suite bedrooms. Ensure to take a peak at our refurbished rooms. See if you can choose your favourite!

# Ask Questions!

No two weddings are the same and so it is impossible to put every detail in the wedding brochure. We encourage you to take a look at the brochure firstly for an overview and ask as many questions as you like afterwards. We will try our best to answer all your questions during your viewing.

If you've not yet booked a date with us, let us know which date(s) you have in mind which we will gladly check for you.

Due to Covid limitations we will not have suppliers on hand during the Wedding showcase. However, many of our local suppliers have been instrumental in creating the look that you will see on the day. We will provide you with their contact details so that you can discuss your dreams directly with them.

## What's next?

Have you asked all your questions, read the wedding brochure, viewed the property, checked availability for your preferred date and are now looking to book?

**Let us know!**

We will hold your preferred date for you whilst you contact the local registrar / church / chapel etc. to ensure that they also have the date available.
